Hidden Harbor Tours®

Get behind the scenes of our working harbor

For an exciting adventure, go behind the scenes of the NY & NJ's bustling working waterfront on a Hidden Harbor Tour®! Enjoy an insider's view of how the working harbor really works and learn about what all those ships and tugs do. Enjoy a close up view of port terminals where container ships dock and unload their goods from around the world.

The WHC will be partnering with Circle Line Sightseeing for our summer/fall series of Hidden Harbor Tours. During the months of June • July • August we

will be featuring our popular Port Newark tours twice a month on a Saturday (11 a.m. to 1:30 p.m.) leaving from Pier 83/W. 42nd St. & 12th Ave. (schedule below)

We will be expanding our tours in Sept/Oct to include Brooklyn/Staten Island as well as other specialty tours.

See Giant Container Ports plus close up views of the Statue of Liberty!

Tug Boat Yards • Giant Container Ports • Bayonne Bridge • 9/11 Teardrop Memorial • Robbins Reef Lighthouse • Oil Docks • Dry Dock Repair

Learn about how floating dry docks work; the history of the Robbins Reef Lighthouse; tug boat yards; the 9/11 Teardrop Memorial and more!

Expert narration by mariners and representatives from NY/NJ maritime companies and organizations.
